John Assaraf

John is an international best-selling author, speaker and consummate entrepreneur whose expertise in helping organizations and individuals achieve success has landed him on *Larry King Live*, *The Ellen DeGeneres Show*, ABC, CBS and NBC television worldwide. In addition, John recently made his cameo appearance in the new hit movie **The Secret**.

In the last 20 years, he has built four multi-million dollar companies including growing RE/MAX of Indiana to over 1500 sales associates, who collectively generate over \$5 billion a year in sales, and Bamboo, a recent start-up that raised \$25 million in financing. John developed Bamboo's overall marketing strategy and the sales team that generated over \$30 million in revenues within 12 months. Bamboo then merged with Ipix and went on to become the world's leading provider of imaging infrastructure for the Internet, including managing the scaled imaging infrastructure for companies such as eBay.

John is now putting his experience and knowledge to use as the Founder of OneCoach, a company committed to helping entrepreneurs and professionals grow their small business revenues so they can achieve financial freedom and live extraordinary lives (www.onecoach.com).

His personal passions are his family, spirituality, exercise, cooking, travel, and helping entrepreneurs understand how to incorporate the psychological and strategic sides of building a successful business and life.

Shore Slocum

Shore is considered by many to be the trainer of leaders. He regularly conducts speakers' boot camps and leadership retreats (**Finding Your Voice – Expressing Your Vision and the Spirit of Leadership**) to assist business/team leaders and those with an important message find their unique style, as well as how to move people to the next level. An authentic speaker and outstanding storyteller, Shore has worked closely with speakers like Larry King, Norman Schwartzkoff, Scott DeMoulin, Anthony Robbins, Mary Lou Retton, John Assaraf and dozens of others.

A student of Universal Law and the principles that create lasting change, deeper purpose, connection and service to something greater than one's self, Shore's programs teach strategies for putting heart and spirit back into everything you do and everyone you care about. Each year, Shore shares his message worldwide in his workshops and keynote speeches for tens of thousands of people.

His latest spiritual learning tool, **The Living Kabbalah System**, sold out of thousands of copies in its weekend introduction and was just released nationally this summer. Over the next 24 months, a series of books featuring Shore's core principles and teachings will debut. The series, called the **Evolution of Spirit**, will make these simple truths accessible and applicable in everyday life.

Shore earned his Bachelor's and Master's degrees in Religious/Spiritual Studies and in early 2007, he was awarded his Doctorate in Holistic Theology.

Scott deMoulin

Scott has a rich, two decade background as a speaker, trainer and consultant in the fields of sales, communications and personal performance enhancement. Consistently a top rated speaker and audience favorite, he is best known for teaching proven, simple, results-oriented strategies and systems that translate directly into dramatically improved results.

Scott is a member of the Transformational Leadership Council, an exclusive group of some of the world's top speakers, authors and trainers. He is also the co-founder of Destiny Training Systems, which has empowered thousands of individuals and hundreds of companies throughout the United States, Canada and Europe to attain "True Wealth" – abundance in their finances, relationships, professional life and 'whole being' health (body, mind and spirit).

In addition, his customized training programs produced tangible results for Internet start-up company, Bamboo.com, which made an impressive climb from six to 1,500 employees in just 14 months. Observers and industry experts were further impressed when a highly successful NASDAQ IPO was listed in just the ninth month.

While spending time to complete his book, Scott continues to consult with select clients, facilitate private corporate keynotes and training programs as well as public seminars around the world. His most popular public event "Winning BIG with Integrity" is designed for people at any level of personal growth experience and is an "essential ingredient" to achieve profound success in business and more importantly, in life.
